All resident Students and resident Officers of Instruction, are required to attend Morning Prayers, and the Reading of the Scriptures, in the Chapel.

All Students are required to attend Public Worship on Sundays, in the Chapel, except those of legal age, who, on their application to the President in writing, and minors, who on the application of their parents or guardians, have been permitted to attend elsewhere.

PECUNIARY ASSISTANCE.

In accordance with a requisition of the State, three Scholarships have been established. The income of these—fifty dollars each—is awarded to meritorious Students needing assistance.

A fund of a thousand dollars has been donated to the College, the income of which is loaned to students who desire assistance in this manner, in sums not exceeding thirty dollars. No Student who has been dismissed shall be admitted again unless he pays the whole tuition of the interval ; and tuition will be charged for no period less than a year.

To all others, the one or the other of the Special Courses is commended as offering means of valuable discipline, and of a substantial practical education.

PUBLIC COLLEGE EXERCISES.

A Public Examination of all the Classes will be held, during not less than four days, twice a year. There will also be, in the Second Term of each year, a Public Exhibition, for which parts will be assigned, chiefly to members of the Junior Class, according to their general Scale of Merit.

RELIGIOUS OBSERVANCES.

All resident Students and resident Officers of Instruction, are required to attend Morning Prayers, and the Reading of the Scriptures, in the Chapel.

All Students are required to attend Public Worship on Sundays, in the Chapel, except those of legal age, who, on their application to the President in writing, and minors, who, on the application of their parents or guardians, have been permitted to attend elsewhere.

SCHOOL KEEPING.

Meritorious Students, whose circumstances require it, are permitted to be absent for a period not exceeding twelve weeks, including the Winter Vacation, for the purpose of teaching. Applications for such leave of absence must be made to the Faculty on or before November 1st; and no absence is excused unless such permission has been first obtained.

PECUNIARY ASSISTANCE.

STATE SCHOLARSHIPS. Of these there are three, of *fifty dollars* each, established in accordance with a requisition of the Commonwealth.

HOWLAND SCHOLARSHIPS. The College having received a bequest of Ten Thousand dollars from the late EDWIN HOWLAND, Esq., of South Africa, has set apart therefrom an endowment of four scholarships, of *fifty dollars* each, to be known by his name.

WALKER MATHEMATICAL SCHOLARSHIPS. These are five in number, of *one hundred dollars* each, and are established in honor of the late WILLIAM J. WALKER, M. D., of Newport, R. I., whose munificent donations and bequest for mathematical and kindred purposes, greatly extend the prospective usefulness of the College in these departments.

Scholarships, when voted, will be understood to cover the College year just ended; but the obtaining of a Scholarship for one year, will not be held to constitute any title to a second nomination.

LOAN FUND. A fund of a thousand dollars has been donated to the College, the income of which is loaned to students who desire assistance in this manner, in sums not exceeding *thirty dollars*. When repaid, these sums will be added to the fund itself.

These awards are made by the Board of Trustees on the recommendation of the Faculty.

APPOINTMENTS. The pay of the Monitor is *twenty dollars* a year; that of the Bell-ringer, *forty dollars*.

Applications for the above Scholarships and other aids must be made to the Faculty on or before the first day of June; and, if the applicant be a minor, must be sanctioned by his parent or guardian.
